

## Saratoga County, New York

### Day 1

- Welcome to your Saratoga hotel, where Saratoga's Victorian history blends seamlessly with today's comforts.
- Begin your day with a scrumptious lunch at one of over 90 area restaurants
- After lunch, your step on guide will take you on a historic tour of the city, encompassing the natural spring waters, the who's who of the cities founders and socialites, the unique architecture of some of the over 1000 buildings on the National Historic Registry, and the beloved horse racing history and culture that helped shape the city and area.
- Enjoy your first night at the Saratoga Casino and Raceway, where you can try your luck at games of chance, enjoy a dinner overlooking premier live harness racing or enjoy a show at Vapor Nightclub.

### Day 2

- After a hearty breakfast at your hotel, hit the road for some more touring. Your options are endless: a backstretch tour at the Oklahoma track – the training track of the Saratoga Racecourse, a trip through the Adirondacks ending at the Lake George Steamboat Company for a narrated lunch cruise on Lake George, a trip to a local horse farm for a tour of where the horse racing lifecycle begins, or a trip to a retired thoroughbred farm to meet and nuzzle with the retired stars of horse racing.
- Stop in to a Saratoga favorite restaurant for lunch, or grab your boxed lunches and enjoy a guided tour of the Saratoga National Historic Park's Saratoga Battlefield – site of the battle of Saratoga and the turning point of the revolutionary war.
- Top off your touring day with a visit to one of our many museums, such as the Saratoga Automobile Museum, The New York State Military Museum, The National Museum of Racing and Hall of Fame or the National Museum of Dance.
- Begin your evening at the Saratoga Winery with a tasting of locally made wines and the option to stay for a meal and evening entertainment. Rather head downtown for a night on your own? Take advantage of the plentiful restaurants for all tastes while browsing the locally owned independent galleries, shops and boutiques. Saratoga is a safe walking city with a robust nightlife – live music and late night eateries abound.

### Day 3

- Enjoy a light breakfast, as your choices today will all be delicious. Start your morning with an authentic Victorian experience: afternoon tea at the Batcheller Mansion Inn with your period, costumed character guides. Your guides will give a tour of the Inn and instruction on proper Victorian conduct. Continue the Victorian theme with an indulgent mineral bath, an authentic "must-do" Saratoga experience. Depart feeling invigorated but relaxed and ready for your trip home.
- Or, how about we hop a train? After breakfast, travel to the Saratoga Springs Train Station to board the Saratoga & North Creek Railroad. Enjoy a ride the picturesque
